## APRIL 2017

The past few months have been rather filled with discoveries. There is never a dull moment in the publishing world especially if you're a new-comer to the industry. Keeping to TSL's ethos of a four-way win position for readers, authors, booksellers and ourselves as publisher has been a challenge. If you are one to purchase books

causes. See below for the list.

Hope you find something to enjoy.

Happy Reading  
*Anne*

through the big online retailers, you'll likely get a huge shock when looking at TSL authors' books. Our prices are high. We've had no choice but to do this through those outlets as distributors and the big retailers take a large cut (for doing very little).

If you are serious about wanting to support authors

and pay a good price (up to 30% off) for your books, please buy through the links on the catalogue or directly from the author.

This month too TSL features a collection of books, mainly short stories, which include a donation to charity. In addition to the books, some of our authors fund-raise for specific
