## **About the author**

Josie Arden was born in Peru and spoke only Spanish until the family returned to England at the outbreak of WW2, when she was eight. Even then, she was scribbling stories but only her parents could understand her dramatic tales, written, in "Spanglish". After the war, she ran a thriving little business making Halloween witches' costumes from discarded blackout curtains, for her friends. Marriage, raising two sons, the care of four other children and nursing a husband who needed twelve operations in fourteen years, brought writing to a temporary halt. Josie opened her keyboard again, as a widow and published her blockbuster novel, *Broken Ties of Time* at the age of 82.
