#### Reviews

A delightful collection of short stories! Each one so different, each one taking you by surprise. There's never a dull moment here. The action and dialogue, so true to life, carry you along effortlessly. You can't help but be impressed by such imagination and subtle humour. I don't know about tea at the Opalaco, but I really enjoyed reading these stories with my coffee at Pret a Manger! – *David Stroud, author*

Jane Lockyer Willis has delighted with an eclectic mix of short stories in *Tea at the Opalaco and other stories*. Tales full of real life characters, bruised by upbringing or hiding feelings behind a veneer of socially acceptable behavior then rebelling and throwing off the conventions, ghostly happenings and much more. I particularly liked Tin Wedding – though I, like Robert, swear to being able to tell marg butter!

A thoroughly enjoyable read. – *Leslie Boullis*
