Rhys and his friend Giddy, decided that their girl friends, April and Ruth could join their Society – sometimes. Between them they decide on certain rules. As the story unfolds the rules prove to be useful. Rhys's mother is injured in a kitchen fire and he resolves never to leave her side again. Review

Nine stories... create distinct worlds populated by credible and mostly sympathetic characters... lead rich inner lives that are vividly described. You might say these are tales about dealing with life's challenges: grief, isolation, loss, prejudice etc... The stories and characters are equally interesting. Some themes recur: the need to be accepted for who we are, for example, and the vital importance of integrity in general. The quality of the writing is consistently high, occasionally breathtaking, and it reaches its peak in the penultimate tale, Included. – *David Guest, editor, Berkehamsted Living*.
