

### Night Duty

From David Stroud and Barbara Towell comes the present-day play,  
*Night Duty*.

It is set in a Welsh hospital where Meryl, a student nurse, unexpectedly finds herself on night duty with experienced Charge Nurse, Gareth Slater. How will they get on? As the story unfolds, the audience is treated to unexpected twists and an unpredictable ending.

SLATER: Do you like stories that make your hair curl, Meryl?

MERYL: Stuck, I am. You see the patient took an overdose of sleeping tablets and left a suicide note. Problem is, I can't find it anywhere.

*This one act play demands to be performed,  
offering wonderful roles for actors.*
