

## An American Lunch

in four courses

### When Elvis Met Marlon

Two huge handsome American icons (literally and physically!), who, in their later years became gross physically. I imagine them meeting at a diner in New York and how they would converse — Marlon Brando, through his best movie lines, and Elvis Presley through his best lyrics.

### The Waiter

This is a story about the American dream and the immigrant. Irving Caitlan has opened up a new kosher diner in Queen's. Like many immigrants he has changed his name to disguise his ethnicity.

Lenny is a wannabe actor working as a waiter. He is waiting for a miracle to happen and has his eye on the big chance.

### The Oldest Swingers in the Business

This is a story about “swinging” pensioners in Florida. Gordo and Joy hold regular swingers parties for the more *avant garde*. Madelaine and Arnie come along to see what is on offer.

### Divorce Party Prep

Bella and Sadie are grandmothers on either side of a family, in Brooklyn, New York. They have a 60-year history of feuding and fall outs. Today they're preparing for their granddaughter Judy's divorce party.
