Thatch.com Dating for farmers

Belle is a fresh-faced buxom lady. She loves living her country life and is just looking for a like-minded soul mate. She has a Somerset accent.

BELLE: So, I'm 33 years old looking for love. My name is Belle. My father named me after his prize-winning Jersey cow, he said I had the same honest eyes and warm smile. I thought I might be named after our favourite Shetland on the fact I have such good strong teeth, but I suppose he thought *Dobbin* was a bit unusual for a lass.

Anyway, I love living on my farm. I like chickens, cows, and walks in the fresh air. I especially like the pigs. Now, there's John Hamm, Kevin Bacon, and Meatloaf. I also love Michael J Fox, he isn't one of our pigs he's an actor, he had a pig in *Doc Hollywood*, he's my favourite actor. He held onto that pig with his manly hands.

I have *strong childbearing hips*; dad says on account of riding the tractor across all the acres of our farm. The fella on the next farm calls me *Biker Belle* on account of all my riding.
