

GANDHI ~

THE MESSIAH

RAJESHWAR PRASAD

Many people of the world have followed the path shown by Mahatma Gandhi and have brought prosperity to themselves and their societies. It is often thought that the principles of Mahatma Gandhi are too hard to be followed by a common man. But when we share success stories of everyday people who have followed his teachings and prospered, we come to know that his principles are easily followed by anyone, anywhere, anytime, and would produce the same results – prosperity and welfare. Undoubtedly, he is ever relevant. Forgetting him is equal to forgetting love, peace, truth, justice and ahimsa* in the world. To inculcate good manners, respect, peace, harmony, values, culture and ethics to young children and youth in the world so as to ensure that they can become good citizens across the world in the future and to educate against the evil effects of wrongs, this book will help because the thoughts and philosophy of Mahatma Gandhi are most relevant today.
