### The Birth of Gandhi

God surely incarnates for liberation  
In this wide world – the earth of only mirth  
To abolish evils after vacation,  
That is a rotation to clean the earth.

Gandhi takes birth, and the aim was divine –  
To end evils overloaded by the people –  
To make the entire world a pure shrine –  
To abolish violence was nev'r here simple.

He's for love, peace, ahimsa, tolerance, and truth;  
For breaking up the chains of slavery in India –  
For removing the sufferers from the dearth –  
For the sake of humanity with His blissful idea.

Satyagraha was only one weapon in His life,  
And the rulers faced freedom strife.

### Porbandar in Bliss

With Gandhi's arrival on Earth, came bliss  
To Porbandar, was fully revealed –  
No people in the condition to miss –  
All woes and sorrows were veiled.

People assembled there to see His look  
And sang and danced in His house happily;  
Noted it in their heart and mind's book,  
That was felt by others completely.

"He has come to our land to send away –  
To abolish the evils of the world –  
To restore peace, love, and justice in any way –  
By the right means of truth and ahimsa fold."

They enjoyed His incarnation  
As they witnessed after duration.
